Over seven feet tall and weighing over a thousand pounds, he is known as Concrete but is in reality the mind of one Ronald Lithgow, trapped inside a shell of stone, a body that allows him to walk unaided on the ocean's floor or survive the crush of a thousand tons of rubble in a collapsed mineshaft. but prevents him from feeling the touch of a human hand. These stories of "Concrete" are as rich and satisfying as any in comics: funny, heartbreaking, and singularly human.
