There is no voice coming from the clouds, stones, or earth, but from the fire God speaks. Stepping into this place of fire that does not consume but burns everlasting we are given the rules, laws, and covenants for a community of spiritual beings experimenting with humanity. The Ten Commandments are the archetypes for the rules we must follow if we are to go on this spiritual journey to the Promised Land, the land of milk and honey, and heaven. Just as there are laws (rules) that govern math so are their rules about our spiritual life and journey. The laws point to the direction we must take as we free ourselves from the illusion and dream state of consciousness. i Ms. Deakins interpretations takes us on a journey through consciousness. New found depth and meaning brings us to the brink of a personal revelation about our role in the ocean of humanity.
