

In the Buddha's Words: An Anthology of Discourses from the Pali Canon

By Bhikkhu Bodhi (Editor)

Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. This landmark collection is the definitive introduction to the Buddha's teachings - in his own words. The American scholar-monk Bhikkhu Bodhi, whose voluminous translations have won widespread acclaim, here presents selected discourses of the Buddha from the Pali Canon, the earliest record of what the Buddha taught. Divided into 10 thematic chapters, In the Buddha's Words reveals the full scope of the Buddha's discourses, from family life and marriage to renunciation and the path of insight. A concise, informative introduction precedes each chapter, guiding the listener toward a deeper understanding of the texts that follow. In the Buddha's Words allows even listeners unacquainted with Buddhism to grasp the significance of the Buddha's contributions to our world heritage. Taken as a whole, these texts bear eloquent testimony to the breadth and intelligence of the Buddha's teachings, and point the way to an ancient, yet ever-vital path. Students and seekers alike will find this systematic presentation indispensable.

Reviews

This is basically the greatest pdf i have got go through right up until now. It normally fails to cost excessive. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Genoveva Langworth

The best publication i actually study. It is probably the most awesome ebook i actually have study. You are going to like the way the article writer publish this publication.
