Createspace, United States, 2011. Paperback. Condition: New. Jessica Brooks (illustrator). Language: English . Brand New Book ***** Print on Demand *****.Who are you? Where did you come from? Where are you going? What is reality? What is the meaning of it all? On the brink of a new chapter for humanity, its time we addressed these questions. The answers are startling clear, pointing toward a new evolution in consciousness and existence. What does all of this mean? And how can it be achieved in this lifetime? Prolific mystic writer and founder of the Mardukite Research Organization, Joshua Free, illustrates the true existence of life as Self within the matrix-reality of everyday life by a revolutionary method that brings new meaning to self-help in the first revolutionary installment of The Right Way to Life for the Next Generation Systemology Series of booklets! Drawn from the truth of the most ancient spiritual technologies on the planet, these teachings shine amazing light on the mysteries of creation - where YOU too might just find yourself more than human! Also in this series: Systemology: Defragmentation (S2) by Joshua Free, Trans-Human Generations (S3) by Joshua Free, The Games: Portals of Self-Transformation (S4) by Joshua Free. This material is also available in the NexGen Right Way to Life S1+S2+S3+S4 anthology: Crystal Warriors Mystic Knights by Joshua Free.
