NEGATIVE MEDITATION

Createspace, United States, 2013. Paperback. Book Condition: New. Large Print. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Positivism is a Holy Cow. Politicians call it out to people to gain votes, and beautify the future if people vote for them, but, for sure, they do not know what they talk about. We find this Holy Cow in all kinds of systems, like religions, gurus and politicians, and other structures that frame people. The alternative movement clings to the Holy Cow, believing everything will work out fine if we only can be positive. Just use affirmations to paint an amazing picture of our future, and we will get everything we wish for, and even more. Be positive and the world is in our hands. And we dream away, fly away, run away on pink clouds with a big smile and . nothing happens. Then we are told that we are not good enough, not persistent enough in our hopes and wishes, yes, it is our own fault . not the fault of the force of positivism, because The Holy Cow is the power of the universe, they say.
