A writer s workshop is simply a gathering in which writers come together to share their writing and offer one another feedback. Workshops are fairly easy to facilitate, yet nearly magical in their ability to inspire kids to write. Workshops Work! offers parents all the nitty-gritty details you ll need to start up your own workshop. It s a comprehensive guide covering everything from how long a meeting might run to how to encourage a positive atmosphere. Workshops Work! is written for parents who may not have much writing training themselves, but who want to make writing a fun, engaging experience for their kids. Whether you re a homeschooling parent trying to make writing more meaningful for your child, or the parent of a schooled child seeking a less standards-based, more creative writing experience for him or her, a writer s workshop may be just what you re looking for. Workshops Work! will show you how to make writer s workshops an essential, enjoyable part of your child s development as a writer.
