Knitting Stitches: 20 Knitting Techniques For Beginners Knitting is one of the most popular hobbies in the entire world. Many people across many different countries and cultures know how to knit, and as of recent years, it hasn t been exclusively reserved to mothers and grandmothers anymore. Though knitting is becoming increasingly popular, it has been around for long enough that there are dozens of stitches you need to learn. These stitches range from fast and easy to much more complicated and everything in between. No matter what your skill level is, you can use this book to learn your knit stitches. I am going to show you exactly what you need to do to accomplish 20 different kinds of stitches, and show you how to use those stitches in a variety of different patterns. The stitches you find in this book are easy to make, they are fun to work, and no matter how much knitting you have done in the past, you will be able to figure them out. Simply take your time and follow the pattern, working through each one as it comes. You will find that the more you practice the easier it is going to be, and in no time at all you will have it perfected. I want knitting to be fun, and that s going to happen the more you work with these stitches. Grab your favorite set of knitting needles, and your favorite yarn, and you have what you need to make these stitches. So what are you waiting for?...
