By Joseph Katie

GRIN Verlag. Paperback. Condition: New. 28 pages. Dimensions: 8.3in. x 5.8in. x 0.2in. Project Report from the year 2011 in the subject Business economics - Marketing, Corporate Communication, CRM, Market Research, Social Media, grade: A, University of Cambridge, language: English, abstract: Social Media Platform has become so ubiquitous in today's society that it is not surprising that its adoption as a critical Relationship Marketing Strategy has immensely contributed to the bottom line of early adopters of this phenomenon, particularly in the Small Medium Enterprise (SME) sectors. The Enterprise and Industry Publication of the European Commission defines Small and Medium Enterprises (SMEs) as the category of micro, small and medium-sized enterprises (SMEs) which employ fewer than 250 persons and which have an annual turnover of not exceeding 50 million Euros, and or an annual balance sheet total of not exceeding 43 million Euros (European Commission, 2005). The goal of this report is to investigate how Social Media Strategy can be a useful marketing tool for Small and Medium Enterprises (SMEs). Social Media have revolutionized the online marketing landscape to the extent that many businesses that have recognized and mastered the Social Media as efficient and cost-effective marketing tools have become commercial...
