

La Dynamique de L Electron (Paperback)

Filesize: 6.95 MB

Reviews

A whole new eBook with a brand new point of view. It is really simplistic but surprises in the fifty percent of the publication. I am just effortlessly can get a delight of looking at a written ebook.
(Mariano Gleichner)

LA DYNAMIQUE DE L ELECTRON (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: French . Brand New Book ***** Print on Demand *****. Les principes generaux de la Dynamique, qui ont, depuis Newton, servi de fondement a la Science physique et qui paraissaient inebranlables, sont-ils sur le point d etre abandonnes ou tout au moins d etre profondement modifiees ? C est ce que bien des personnes se demandent depuis quelques annees. La decouverte du radium aurait, d apres elles, renverse les dogmes scientifiques que l on croyait les plus solides: d une part, l impossibilite de la transmutation des metaux; d autre part, les postulats fondamentaux de la Mecanique. Peut-etre s est-on trop hate de considerer ces nouveautes comme definitivement etablies et de briser nos idoles d hier; peut-etre conviendrait-il, avant de prendre parti, d attendre des experiences plus nombreuses et plus probantes. Il n est pas moins necessaire, des aujourd hui, de connaitre les doctrines nouvelles et les arguments, deja tres serieux, sur lesquels elles s appuient.
