THE PERSISTENCE OF CASTE: THE KHAIRLANJI MURDERS AND INDIA'S HIDDEN APARTHEID

[DOWNLOAD PDF](#)

Zed Books Ltd. Paperback. Book Condition: new. BRAND NEW, The Persistence of Caste: The Khairlanji Murders and India's Hidden Apartheid, Anand Teltumbde, While the caste system has been formally abolished under the Indian Constitution, according to official statistics, every eighteen minutes a crime is committed in India on a dalit-untouchable. The Persistence of Caste uses the shocking case of Khairlanji, the brutal murder of four members of a dalit family in 2006, to explode the myth that caste no longer matters. In this expose, Anand Teltumbde locates the crime within the political economy of post-Independence India and across the global Indian diaspora. This book demonstrates how caste has shown amazing resilience - surviving feudalism, capitalist industrialization and a republican constitution - to still be alive and well today, despite all denial, under neoliberal globalization. This insightful new analysis not only provides a fascinating introduction to the issue of caste in a globalized world, but also sharpens our understanding of caste dynamics as they really exist.
