Stephanie's short stories inspire you to think outside the box and follow your heart when listening to that small, still voice. In August 2010, Stephanie was diagnosed with a life-threatening softball-size brain tumor. Stephanie remained calm, confident, and rejoicing that God was in control. With Stephanie's positive will and determination, she successfully recovered from two brain surgeries and a rare infection. God's love, wisdom, and guidance helped Dr. Byrnes and his team during that small season of uncertainty. Stephanie also shares a difficult time of hardship in which she's acknowledge putting her life in her own hands, which leads to hidden anxieties and profound depression. Stephanie doesn't give up; she continues to give praises to God for His guidance, patience, and understanding during those times of need. She's been tested by Satan and forgiven by God. Stephanie's now on the right pathway to victory.
