

The Shadowy Horses (Paperback)

Filesize: 5.83 MB

Reviews

The most effective publication i at any time go through. This is certainly for all those who statte that there had not been a worthy of looking at. Its been printed in an extremely straightforward way which is merely soon after i finished reading this publication where basically changed me, change the way in my opinion.

Sourcebooks Landmark, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book. I've loved every one of Susanna's books! She has bedrock research and a butterfly's delicate touch with characters--sure recipe for historical fiction that sucks you in and won't let go! -- DIANA GABALDON, #1 New York Times bestselling author of *Outlander* The invincible ninth Roman Legion marches from York to fight the Northern tribes, and then vanishes from the pages of history. When Verity Grey goes looking for them, she may find more than she bargained for. Archaeologist Verity Grey has been drawn to the dark legends of the Scottish Borderlands in search of the truth buried in a rocky field by the sea. Her eccentric boss has spent his whole life searching for the resting place of the lost Ninth Roman Legion and is convinced he's finally found it--not because of any scientific evidence, but because a local boy has seen a Roman soldier walking in the fields, a ghostly sentinel who guards the bodies of his long--dead comrades. Here on the windswept shores, Verity may find the answer to one of the great unsolved mysteries of our time. Or she may uncover secrets someone buried for a reason. Don't miss the next enchanting novel from Susanna Kearsley, *Bellewether*, coming August 2018! Other bestselling books by Susanna Kearsley: *The Winter Sea* *A Desperate Fortune* *The Firebird*.
