By U S Department of Health Human Services, Centers For Medicare Medicaid Services

Createspace, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Mental health conditions like depression or anxiety can come at any age and can happen to anyone. If you think you may have problems that affect your mental health, you can get help. Talk to your doctor or other health care provider if you have: Thoughts of ending your life (like a fixation on death or suicidal thoughts or attempts); Sad, empty, or hopeless feelings; Loss of self worth (like worries about being a burden, feelings of worthlessness, or self-loathing); Social withdrawal and isolation (reluctance to be with friends, engage in activities, or leave home); Little interest in things you used to enjoy; A lack of energy; Trouble concentrating; Trouble sleeping (like difficulty falling asleep or staying asleep, oversleeping, or daytime sleepiness); Weight loss or loss of appetite; Increased use of alcohol or other drugs. Mental health care includes services and programs to help diagnose and treat mental health conditions. These services and programs may be provided in outpatient and inpatient settings. Medicare helps cover outpatient and inpatient mental health care, as well as prescription drugs you may need to treat a...

Reviews

This book may be worth purchasing. It typically fails to expense excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- Ken Watsica

A must buy book if you need to adding benefit. I am quite late in start reading this one, but better then never. Its been designed in an exceptionally easy way in fact it is only after i finished reading this publication where in fact modified me, alter the way in my opinion.
