Mr. I can't recall making a mistake ruined our country and transformed Clinton's surplus into a huge deficit. His Iraq folly has cost so far 1,800 American and over 100,000 Iraqi lives. Iraq could very well become another Iran, ruled by ayatollahs under the Sharia law. As long as they can amass enormous profits, greedy American corporations, thanks to NAFTA and now CAFTA, with Bush's blessings, continue to outsource millions of jobs to cheap labor. What Bush has done to the American people can be summarized in one word: SHAFTA. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.

*This book might be worth a read, and superior to other. Of course, it really is engaging, still an interesting and amazing literature. It is extremely difficult to leave it before concluding, once you begin to read the book.*
