Createspace Independent Publishing Platform, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This is my second mandala book after Mandala Fun. I called it Radiant Mandala Diversity because the colors radiate since they are very bright. I designed diverse mandalas in this book, for example the Swiss and the Canadian mandala. Since it was autumn when I designed the book I collected leaves for an autumn mandala. Furthermore I designed mandalas for each of my siblings and my nephews family who are all full of light! In my dreams I got hints on how to draw mandalas when I ran out of ideas. While designing a mandala it turned into something unexpected without my effort, like for instance the white butterflies. Also I designed a Brazil mandala; Brazil is of importance to me because my uncles family lives there and I visited them in 1970. The book also includes a Ganesha mandala. In Hinduism Ganesha is the one who removes all the obstacles. Just like in my book Mandala Fun I added photos that I took, 33 in total (in Mandala Fun over 170 photos). The photos were taken in Switzerland and Canada: Lake Moraine, Peyto Lake, Canyon in Jasper, Takakkaw Falls in BC, Banff. Additionally the book includes animal pictures: Skunk, gophers, horses and a dinosaur from the Green 80 park in Basel. I hope all of you enjoy this book as much as I enjoyed making it!.
