paperback. Condition: New. Ship out in 2 business day, And Fast shipping, Free Tracking number will be provided after the shipment. Paperback. Pub Date: 2013 Pages: 247 Language: Chinese in Publisher: Chinese Society Press Community Family Education Series cultivate children from the plan: seven small Shen mother tutoring design course training broken down into seven outstanding child target. covering more comprehensive. The book is seven chapters. each chapter describes one aspect of the aspects of culture planning Appendix. For each target. the implementation of the training is a relatively independent system. operating characteristics and logic. Child has some kind of quality or ability. the formation process from scratch. cultured to consider what elements were decisive. initially when to start. how to start. what needs to be done next; should also consider the different stages of children grow up. there The issues vary. the parents how to deal with the best choice. careful to avoid what error. Community Family Education Series. cultivate children from the planning began: seven small Shen mother tutoring design course introduction and demonstration of each chapter on the planning and implementation process are based on this understanding and expand. Contents: Preface the tutor without planning. as construction without a blueprint. the first lesson children healthy physique children healthy. a variety of factors working together the fruit. Good eating habits. like sports and rest ordered. wearing modest. pay attention to health. these elements constitute the framework of the child's health system. Interestingly. these seemingly isolated elements are closely linked. the mutual influence and role. Parents familiar with this road. it will be like Danqing insight into painting the mystery master into the creation of the state in the parenting process fun. 1. Crawling children to exercise first lesson. Hungry little more willing to eat 3. Cold bath. Movement with...
