AuthorHouse. Paperback. Condition: New. 228 pages. Dimensions: 7.9in. x 5.0in. x 0.9in. Health Myths Exposed marks the beginning of a war on deadly FDA-approved drugs and pharmaceutical industry campaigned health myths. In the name of exposing false promises, deceit, and blatant disregard for the health of all Americans, this book promises to bring you closer to good health and longevity. Led by Health Myths Exposed, this war will be energetically and boldly waged by exposing the ten most devastating health myths. To this end, you will learn about innovative medical research and natural alternatives that can safely and effectively cure the worlds most pandemic killers, such as heart disease and obesity. As an added bonus, continuing education through the books web site will provide a lifetime of knowledge and serve as a key weapon against the relentless promulgation of deadly health myths by those who stand to profit from them. Leaving behind anecdotal and sensational claims common to other books and articles, Health Myths Exposed guarantees to bring you empirical evidence surrounding the sordid pharmaceutical drug racket and the proper use of natural medicine. With this newfound knowledge and continuing education you will become empowered with the ability to take your health into your own hands rather than giving blind loyalty to FDA approved drugs and medical doctors. Your life or the life of a loved one or friend may depend on your reading this book. By exposing the myths that medical doctors, health practitioners, and pharmaceutical companies have blindly followed and perpetrated, this book will seriously compromise their reputations and status as leaders in the health community. No doubt, they will look away in hopes that you never read this material. Get ready to be shocked, get ready to become angry. But most importantly, get ready to learn some amazing...
