

The Classic Guide to Winter Sports (Hardback)

Filesize: 5.14 MB

Reviews

The publication is straightforward in study better to fully grasp. It is definitely simplistic but excitement inside the 50 percent of your publication. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Mazie Johns IV)

THE CLASSIC GUIDE TO WINTER SPORTS (HARDBACK)

DOWNLOAD

Amberley Publishing, United Kingdom, 2016. Hardback. Condition: New. Language: English . Brand New Book. Well placed to discuss the art of skiing, Arnold Lunn was editor of the Climber s Club Journal and the Alpine Ski Club Annual, founded the Oxford University Mountaineering Club, invented the skiing slalom race and was eventually knighted for his services to British Skiing and Anglo-Swiss relations. Originally published as a cheap handbook for skiing, this Classic Guide is devoted to the needs of the beginner, from the technical aspects of how to ski to what to wear while doing it, published during a time when the Alps were relatively unexplored by British skiers. As ski lifts were an unknown entity during the early twentieth century, Arnold Lunn traces the difficulties of a ski-runner and the problems encountered while mountaineering in the dangerous winter alps.
