

Principles of the Telephone, Vol. 1: Subscriber s Apparatus (Classic Reprint) (Paperback)

By Cyril M Jansky

Forgotten Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Principles of the Telephone, Vol. 1: Subscriber s Apparatus In order that this text might appeal to and be of practical use to men who are actively engaged in the installation, care, and operation of telephone apparatus, every advantage of contact with the men engaged in the industry was utilized by the authors, including conferences especially with the engineers of the Wisconsin Telephone Company, from whom many valuable suggestions were received. Although details of construction are not given to any extent it was the purpose of the authors to clearly set forth the principles that underlie good construction. The main emphasis, however, is placed upon the principles of operation of different types or makes of subscribers apparatus, together with a discussion of methods of locating faults and their correction. This is the first part of the course and is mainly confined to subscribers apparatus. The two other parts to follow, which are in preparation, will treat of central office equipment and outside construction. The authors wish to acknowledge their indebtedness to manufacturers of telephone apparatus for their unfailing courtesy...
