We have provided Notes and Sketches pages, allowing him to sketch out some rough ideas and write notes and thoughts about his creations. After this there are pages containing grid-lines to help him to further develop and refine his designs. The grids will help him to work out the finer details of his creation before he starts to build his construction in Minecraft. The grid pages back onto the blank notes and sketches pages, to enable him to see his drawn designs through the paper - allowing him to transform them into Minecraft block designs more easily.
