CSS Publishing Company, United States, 2010. Paperback. Book Condition: New. 211 x 137 mm. Language: English . Brand New Book ***** Print on Demand *****.In each of Sunday s assigned lectionary readings -- The First, Second, and Gospel lessons -- we are invited to view the glorious narrative of scripture through three different, yet harmonious, perspectives. In the first reading, the congregation returns to the heritage of our faith as described in the Old Testament, as well as in the New Testament book of Acts. We travel with the children of Israel as they take their first steps in faith, reliving the highs and lows of that journey with them. Through studying this part of scripture, we can see our own journey of faith played out by an entire nation. As part of the Sermons on the First Readings, Series III, Cycle A series, Show-and-Tell guides us through some of the earliest accounts in the Bible in Genesis and Exodus, as well as the prophetic words of Isaiah and Ezekiel. During the Easter season, the first readings also explore the beginnings of Christianity as recounted in Acts. By taking us back to the beginning, Dr. Everett offers insight and encouragement into how we can live out our faith today. This collection of sermons is a valuable resource for: * Sermon starters and illuminating illustrations * Gaining a new homiletical perspective to the lectionary * Offering a newer, deeper understanding and appreciation of scripture * Using as a starter for adult Bible study groups or personal devotions This insightful collection of sermons includes: Will This Be on the Test? A Breath of Fresh Air Stuck in Park . and many more! Dr. Tony Everett is the Dewey F. Beam Professor of Pastoral Care at Lutheran Theological Southern Seminary in Columbia, South...
