THE BABY BIOCHEMIST: ENZYMATICS (PAPERBACK)

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Large Print. Language: English . Brand New Book ***** Print on Demand *****.The Baby Biochemist series explores basic concepts of biochemistry so that parents and children of all ages can discover this invaluable field. Also a great gift for expecting or parent biochemists, The Baby Biochemist series will give them a laugh while revisiting the foundations of their field with fun and adorable illustrations and descriptions, no matter how many times they are asked to read it. In this volume, the Baby Biochemist investigates reactions and enzymes. Join the reactants on their journey to be products, as you learn how enzymes help the trillions of reactions that occur every second in our bodies. It is never too early to introduce concepts that will make our children better consumers of knowledge. Everyone should feel that science is in their grasp and we hope this series can help prepare kids (and adults!) for encountering these concepts in school and life.
