## Women Power: A Manifesto

By Mary Beard

Liveright. Hardcover. Condition: New. 128 pages. From the internationally acclaimed classicist and New York Times best-selling author comes this timely manifesto on women and power. At long last, Mary Beard addresses in one brave book the misogynists and trolls who mercilessly attack and demean women the world over, including, very often, Mary herself. In *Women and Power*, she traces the origins of this misogyny to its ancient roots, examining the pitfalls of gender and the ways that history has mistreated strong women since time immemorial. As far back as Homers *Odyssey*, Beard shows, women have been prohibited from leadership roles in civic life, public speech being defined as inherently male. From Medusa to Philomela (whose tongue was cut out), from Hillary Clinton to Elizabeth Warren (who was told to sit down), Beard draws illuminating parallels between our cultural assumptions about womens relationship to power and how powerful women provide a necessary example for all women who must resist being vacuumed into a male template. With personal reflections on her own online experiences with sexism, Beard asks: If women arent perceived to be within the structure of power, isnt it power itself we need to redefine. And how many more centuries should...
