SAGE Publications Inc, United States, 2014. Paperback. Condition: New. Revised ed.. Language: English . Brand New Book. Author David C.W. Parker was granted exceptional access by both candidates over the 21 months preceding the election, allowing him to tell the story of the race in rare and fascinating detail, while also exploring the impact of Citizens United and so-called dark money on the campaign. The Montana setting offers readers a view into the rising political influence of the West, the importance of place in politics, and the impact of congressional styles and constituent relationships on campaigns and elections. Parker skilfully weaves political analysis into his narrative and places the race in the broader context of congressional elections and the research literature.
