Brand New Book ***** Print on Demand *****.Thomas Alva Edison was an American inventor and businessman, who has been described as America s greatest inventor. He developed many devices that greatly influenced life around the world, including the phonograph, the motion picture camera, and the long-lasting, practical electric light bulb. Dubbed The Wizard of Menlo Park, he was one of the first inventors to apply the principles of mass production and large-scale teamwork to the process of invention, and because of that, he is often credited with the creation of the first industrial research laboratory.
