Reviews

An exceptional pdf as well as the typeface utilized was interesting to see. I am quite late in start reading this one, but better then never. I am very happy to explain how this is actually the best pdf i actually have go through within my individual daily life and might be he greatest publication for possibly.

ANDY WARHOL: BLOW JOB (HARDBACK)

[DOWNLOAD](#)

Afterall Publishing, United Kingdom, 2008. Hardback. Condition: New. Language: English . Brand New Book. A critical close-up of Warhol's famous film and its cultural impact. In Andy Warhol's silent black-and-white movie, *Blow Job* (1964), a youth is filmed as he is apparently being given the sex act named in the title. The 35-minute film is accentuated by the paucity of expression on the actor's face: we see only his head and shoulders, rigidly framed so that all offscreen space has to be imagined, or avoided. Sometimes the young actor looks bored, sometimes as if he is thinking, sometimes as if he is aware of the camera, sometimes as if he is not. Like the protagonists of other Warhol films, he is apparently left to his own devices. Warhol's 16mm films (including *Blow Job*, *Sleep*, *Empire*, and *Henry Geldzahler*), with their take on boredom, voyeurism, and the supposedly unmoving camera, continue to be influential today. In their own era of the early 1960s, they forced avant-garde film away from various forms of romantic illusionism and onto the reality of the specific film-as-projected. The film process itself became inseparable from the act of the viewer's viewing. In this extended examination of *Blow Job*, Peter Gidal deciphers the structures, abstract and concrete, of Warhol's crucial film. Warhol's techniques--the use of the close-up, the general use of camera movement, and the complete theatrical mis-en-scene--(especially when compared to the Godardian cinema verite of the time) make the materiality of the film process, its making and viewing, ineluctably present. Peter Gidal has written books on the works of Samuel Beckett, Andy Warhol, and Gerhard Richter, as well as on avant-garde materialist film. An experimental filmmaker himself, Gidal has had retrospectives at the London Film Co-op, LUX, the National Film Theatre,...
