Help for Teaching High School Math is Here! Discover Tools, Tricks, and Tips, to Simplify Teaching Upper Level MathDo you get cold sweats just thinking about teaching your teen high school math? Did your last exposure to trigonometry leave you covered in hives? If so, you are not alone! Every homeschool parent loses it at some point during high school math. Lee Binz, The HomeScholar, can help guide the way! Lee's practical advice and gentle encouragement will take your math anxiety down a few notches and give you the confidence to push through the pain so your child can achieve math success. In this book, you will learn how to teach high school math with the correct: sequence, curriculum, attitude, and speed. You will discover curriculum options, learn how to keep great math records, and get beyond mere good intentions to actually get the job done in your homeschool. There's even a special section on how to teach any particularly nerdy kids that might be living under your roof. Here's Why You Need This Book: We are in a golden age of homeschooling. Never in history have there been so many excellent resources to help the mathematically challenged parent teach advanced subjects. High School Math The Easy Way: Simple Strategies for Homeschool Parents In Over Their Heads will put these resources and tools at your fingertips and give you proven strategies to not just survive but thrive while teaching high school math. High School Math The Easy Way is part of The HomeScholar's Coffee Break Book series. Designed especially for parents who don't want to spend hours and hours reading a 400-page book...
