MindWalks (Paperback)

By Michael Scott

Fisher King Publishing, United Kingdom, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The body of the human animal is astoundingly complex. There are, for example, about one hundred trillion cells, plus one thousand trillion micro-organisms, in each of us. This micro-universe more or less behaves as a unity, which is another miracle. Most of us think, it seems, in terms of being a personal self, as if we were truly single individuals. Each of us could, theoretically, behave as an isolated creature, grubbing around for food, maybe occasionally mating as mindlessly as we foraged and fed. We could each be a castaway on the endless ocean of meaninglessness. Yet we seek out other human multicellulars and try to communicate. The extraordinary fact is that some communication does occur. We are even surprised to encounter diversity, as if we might expect unanimity merely because we are the same species. There is a certain degree of community achieved, sometimes aspiring to the dizzy heights of civilisation. We ought to celebrate our fragile, spasmodic, appearance of oneness. These essays consist of explorations of the interactions between about twenty humans who are well-known to the author and...

Reviews

It is just one of the most popular ebook. It usually fails to price an excessive amount of. You will not really feel monotony at at any moment of your time (that's what catalogues are for about when you check with me).
