## GOD GARDENED EAST (HARDBACK)

CASCADE BOOKS, 2008. Hardback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Working within two popular genres, gardening books and biblical meditations, God Gardened East offers a meditation on the first twenty-five chapters of Genesis, emphasizing the tropes of cultivation, wandering, and the east. Reconceived in a post-9/11 environment, Ruprecht wrestles with difficult questions about the violent legacy of monotheism and traces some of this violence back to the foundational story of Abraham and his dislocation from his homeland. God Gardened East is an essay in the tradition of Thoreau and Wendell Berry. It is about important things, such as empire, the responsibilities of a citizen, the joys of getting one's knees dirty in the soil, and the Book of Genesis. Lou Ruprecht takes his readers on a journey east that also is a journey into our collective future, focusing at once on the obstinacy of violence but also its limits. This book is a penetrating analysis and a must read for all who look to Abraham as a signpost of hope. --Bruce B. Lawrence, Duke University God Gardened East is real nourishment for souls hungering for new ways...
