Sean, Mike, Jack, Tommy, and their friends have slipped through the zombie horde in Boca Raton and sailed to the safety of Key West. There, they hope to regroup, recover, and mourn. Instead they find themselves in conflict with modern-day pirates as savage as the undead. On the mainland, several survivors huddle in a West Palm Beach condo building, their supplies running perilously low. They face a choice: flee through a zombie-infested city or starve. They choose action. Caught between zombies, pirates, and a desperate army mission to obliterate the undead, the two groups will converge. Whether they join forces or turn on each other will determine who survives. Neither group is aware of yet another danger hidden in their midst-a killer who sees opportunity for slaughter in the chaos of the apocalypse. Pandora 2 continues zombie aficionado Richard McCrohan s tense, action-filled adventure in a world gone mad, where ordinary people discover just how far they re willing to go to survive. Sean and his friends have made it this far, but how long can anyone hope to stand against the dead when the living can t be trusted?.
