The Arachnid Army Book is an essential update of the Starship Troopers miniatures game, giving bug players all the tools they need to defeat a weak Citizens' Federation and sweep the Mobile Infantry before them. This book contains an updated timeline showing just what the Arachnids have been up to, along with new rules and an advanced army list covering all the new bug sub-species (such as the Tiger Warrior, King Tanker and Mantis Assassin Bug), as...

### Reviews

*If you need to adding benefit, a must buy book. It usually does not charge excessive. I realized this ebook from my dad and i suggested this publication to learn.*

-- Alec Veum

*The publication is simple in go through preferable to fully grasp. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.*

-- Mrs. Josiane Collins
