PROJECTIVE SINGULAR HYPERSURFACES AND MILNOR ALGEBRAS

Condition: New. Publisher/Verlag: LAP Lambert Academic Publishing | A computational approach to classical and new Invariants | The aim of this book is to investigate some objects from Algebraic Geometry, namely the singular projective hypersurfaces, using primarily the technique of graded Milnor algebras and some related invariants. It is interesting to explore the potential relations between the coefficients of the Hilbert-Poincare series associated to a singular hypersurface and some properties of the hypersurface (like genus, type of singularities, Milnor and...
