The Road to Stability and Prosperity in South Eastern Europe

By World Bank

World Bank Publications. Paperback. Book Condition: new. BRAND NEW, The Road to Stability and Prosperity in South Eastern Europe, World Bank, 'There is no denying that achieving social and political stability and sustainable development will take years for most countries. Nor will progress towards these goals be smooth or automatic. Several factors indicate how difficult this road will be.' The past decade of transition and conflict has left the South East European region with a legacy of inadequate growth and declining living standards. In the past several years, overall growth has declined, increasing the gap between these economies and the rest of Europe. More alarming is that there has been a deterioration in living standards, as evidenced by higher poverty, inequality, and unemployment. The reasons for the poor economic performance are varied. The most destabilizing factor, of course, has been the regional conflicts, which have devastated the area, undermined structural reform policies, and discouraged foreign investment. Much of the economic development, social inclusion, regional stability in South Eastern Europe will depend on strengthening of institutions, governance, and a lowering of the level of corruption. This report, prepared in response to the mandate given to the World Bank and the European...

Reviews

Here is the best pdf i actually have go through till now. We have study and i also am certain that i am going to planning to go through once again once more in the future. You will not sense monotony at at any time of the time (that's what catalogs are for regarding in the event you question me).

-- **Frederique Rolfson**

Absolutely one of the best book I have ever study. It is actually writer in simple terms rather than confusing. I realized this pdf from my dad and i suggested this pdf to understand.
