The Last Christmas Tree is a pretty, heartwarming story for children of all ages about a little Christmas tree that goes unnoticed all season because it is so small. It appears that little tree, which just longs to decorate a cozy living room is going to spend Christmas all alone and outside in the freezing cold when something magical happens! Aside from being a charming story with a clever, easy verse, it is also a lovely learning piece too, with underlying themes about love, humility, caring and sharing - with 24 pages of full color illustrations!.
