Reviews

It is one of my personal favorite books. Sure, it is engaging, but it is an amazing and interesting literature. I am quickly could possibly get a enjoyment of looking at a published book.

OUTDOOR SAFETY HANDBOOK

Stackpole Books, United States, 2006. Paperback. Book Condition: New. Roberto Sabas (illustrator). 173 x 124 mm. Language: English . Brand New Book. Easy-to-use format: Each page covers one situation For hikers, hunters, anglers, birders, campers . . . All who spend time outdoors In a critical situation, or in a situation that might become critical, choosing less-than-the-best action can result not only in wasted time but also in loss of comfort, loss of limb, even loss of life. That s what this little book is all about--choosing the best course of action in an outdoor emergency. --from the Introduction Unlike Worst-Case Scenario-style books that focus on the most wildly improbable circumstances, Buck Tilton s Outdoor Safety Handbook is the real thing: a clear-cut, no-nonsense handbook from a veteran outdoorsman and safety expert. What should you do if you encounter a bear in the wild? What if you fall through thin ice? Or run out of water? Or get sick on wild food? This handy guide provides no-nonsense information about what to do when something goes wrong in the outdoors--both emergency situations and annoying accidents--in a portable format that s easy to use in the field. Concise instruction explains exactly what to do when faced with outdoor trouble, with an emphasis on taking the best course of action right away.
