Poetry for me is such a passionate way of expressing almost anything especially love and pain. Now I will share a story of two, one in the direction of love and commitment and the other totally against it. But the power of love can be very powerful pulling the most unsuspecting person into its realm. Allowing the forbidden to be the most desired and needed. For some, love can be very scary and intimidating. The person may lash out or even sabotage the relationship! Whatever it takes to get back to what s familiar. And it s ok because they will never forget that warm, loving, feeling of this great emotion that s been injected into the deepest part of their mind and heart. True love is beautiful, unconditional and memorable. So sit back and read these poems of love and desire that were written from the depths of my heart and soul. And always remember that.Memories live on in spite of all things good or bad. Katohasspoken!.
