Taylor Francis Ltd, United Kingdom, 2014. Hardback. Condition: New. Language: English . Brand New Book. Advanced Principles of Counseling and Psychotherapy covers advanced helping-skills topics, including inductive reasoning, Socratic questioning, working with double binds, and creatively creating second-order change. The ultimate expression of these is in the use of paradoxical interventions, including the use of humor. Professors and students alike will find that Advanced Principles of Counseling and Psychotherapy is not just a guide to training; it provides an in-depth understanding of material covered in introductory courses and supplements the material students will cover in practicum and internship.
