No Irishman can read the story of this famous experiment without the most poignant regrets that it was not allowed to continue. When John Scott Vandeleur gambled at his club he gambled away not merely his own property but what may well have been a happier destiny for his country. It is inconceivable that if the community founded at Ralahine had developed as it began it would not have affected the rest of Ireland. It needed bravery to emigrate to Clare in 1830. We see no reason to doubt that Craig s account of political and social conditions was other than restrained. He came to that savage and turbulent society as confident, we may well believe, in the essential goodness of human nature as in his economic theory. He seems to have been a good business man and from the economic point of view the co-operative plan he devised was successful. About the Publisher Forgotten Books publishes hundreds...
