Springer International Publishing AG, Switzerland, 2017. Hardback. Condition: New. 1st ed. 2017. Language: English . Brand New Book. The Scientific Planning Committee members also chaired the congress sessions and supervised completion of the reports that are the bases of the chapters of this book. In addition, there are two chapters included specifically written for APS patients. Much like the previous volume, dedicated to the 13th International Congress on...
