Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The 12 Key Pillars of Novel Construction takes the mystery out of building a solid story and shows you how to go from idea to complete novel in practical, easy-to-understand steps. Build smart! Over and over, struggling writers make the same fatal mistakes in their manuscripts. Even writers who have studied all the best writing craft books and taken workshops and followed writers blogs still don't get the structure. Truth is, a lot of writers believe they can write a novel without taking time to learn the nuts and bolts of novel construction. Just as with building a house, writers need to adeptly wield the proper tools and materials, and follow structurally sound rules if they hope to build a novel. Build strong! Smart writers will take the time to learn how to structure strong pillars that will hold up their novels. This new comprehensive writing craft book clearly lays out just how to build each essential pillar so it can carry the weight of your story. Without such foundational support, collapse is inevitable. There are 12 key pillars of novel construction, and if any of these pillars is weak, made of faulty materials, it will compromise the integrity of your novel. Build a novel that will stand up to scrutiny and thrill readers! Inside, you'll learn: what the four primary support pillars are, and why and how you need to build those first, before tackling any other components in your novel. how to determine if an idea has the potential to become a riveting concept with a kicker, and how to transform that idea into a stunning concept. what high stakes is really all...
