Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. A slow shiver crept down my spine as I got my first real glimpse of the kind of intensity this man was capable of, and I knew right then that however the night went it wasn t going to be anything at all like it had played out in my little fantasies. The Arizona summer had nothing on the heat Lexie felt every time she looked at Steven. While the sexy ex-Marine might be her dad s best friend, she had a very different sort of relationship in mind. Getting Steven to see her as the woman she had become was a bit of a problem, but Lexie figured she had plenty of time to get him used to the idea of her being all grown up. But when Steven gets a promotion that means moving out of town the clock starts ticking. Can Lexie get through to him in the two weeks she has left, or will the man of her dreams disappear forever?.
