

In the Eyes of Stone Dogs (Paperback)

By Daniel Danis

Talon Books, Canada, Canada, 2005. Paperback. Condition: New. Language: English . Brand New Book. Daniel Danis's homage to Aeschylus, the father of tragedy, is set on an imaginary island in the St. Lawrence River. The eccentric islanders are about to join in the outdoor Rages staged by the trickster Coyote--wild Bacchanalia where the participants, under the influence of his potions, lose all vestiges of their civility and abandon themselves to the elemental forces of life and death. Under the ever-present eyes of a chorus of dogs, the play opens with Djoukie, holding a series of number eights, symbols of eternity, changing the price at her mother's Gaz-O-Tee-Pee. Determined to escape this real junkpile for a bunch of mental cases, Djoukie wants only to discover the mystery of her paternity before she leaves. But she is unprepared for what she is about to discover: that the day brings on the night, and that all humans are trapped at the heart of this eternal quarrel. *Le Langue-a-Langue des chiens de roche* was the winner of the 2002 Governor General's Award for French Drama.

Reviews

Completely essential read book. I could possibly comprehend every little thing using this written e book. You wont sense monotony at at any moment of your own time (that's what catalogues are for relating to if you ask me).

-- Rosendo Douglas DVM

It is great and fantastic. I have go through and i am sure that i will likely to study again once again later on. I am just easily could possibly get a enjoyment of looking at a published book.

-- Tad Stanton Sr.
