RAPTURE HAPPENED, LEFT BEHIND, WHAT S NEXT! TRIBULATION PERIOD SURVIVAL GUIDE (PAPERBACK)

Virtualbookworm.com Publishing, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.For several years, I have been researching various survival strategies that could be applied to the events of the tribulation period. This book is specifically written and designed around what will happen during this time period and how to prepare for these vents in advance. In this book, you will actually be provided practical help tips and strategies on how you can survive the tribulation period. You will learn that just building a basement shelter, storing mountains of food and water, medical supplies, and hunkering down for seven years is not only a poor survival strategy, but totally unrealistic for this time period. You will encounter various supernatural plagues, natural disasters, and wars that will claim the lives of the majority of the global population. Don t kid yourself, this will be a very dangerous and perilous time whether you know the Lord or not! The vast majority of people will die and without careful preparation that is tailored to the event of the tribulation period you will have little chance of surviving. This horrendous time period is coming and likely sooner than you think!.
