## IMAGINE IF.: FARM ANIMALS TALKED (PAPERBACK)

Young Createers, United States, 2016. Paperback. Condition: New. Diana Busse (illustrator). Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Imagine if everything in the world that could not speak spoke! What would these things say? What would you ask them? Author Lisa Benger has created a series of children s books that cleverly raise these thoughts. These creative books are called, IMAGINE IF. Each page is written amusingly with lyrics. They express the possibility of what these unspoken things might say. The author questions the young mind with Socratic irony that teaches children to further wonder about the world around them. Animals, places, planets and things are perceived to have feelings. This inquisitively humanizes them as they are imagined to be heard. These books are humorous and thought provoking. They allow the mind to be a part of the observation without being conclusive. There are no limited explanations. Author Lisa Benger s first book out is, IMAGINE IF. Farm Animals Talked. They can be found on Amazon and for distributors on Ingramspark. The imagination is just three clicks away!!!
