THE STORY OF THE WICKED HALF-BROTHERS (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. When the King of Persia is shocked to find his wife is unfaithful, he has her executed. Each day he marries a new bride and in the morning he has his bride killed before she can be unfaithful. Finally there are no more young virgins to marry except one, the Vizier s daughter, named Scheherazade. On the marriage night, she tells the king a tale, but does not end it. The king, curious about how the story ends, is thus forced to postpone her execution. Each night she ends the tale, but begins a new tale continuing for 1001 nights. In the end the king decides he can not execute such a cleaver woman and makes her his queen. This is a classic, ageless tale, sure to be enjoyed. Recommended by The Gunston Trust for Nonviolence in Children s Literature. Age: 12 - Adult.
