

Understanding Body Dysmorphic Disorder

By Katharine A. Phillips

Oxford University Press Inc. Paperback. Book Condition: new. BRAND NEW, Understanding Body Dysmorphic Disorder, Katharine A. Phillips, In a world obsessed with appearance, it is not surprising that body dysmorphic disorder, or BDD - an emotionally painful obsession with perceived flaws in one's appearance - has manifested itself as a troubling and relatively common problem for many individuals. In *The Broken Mirror*, the first and most definitive book on BDD, Dr. Katharine A. Phillips provided a comprehensive manual for patients and their physicians by drawing on years of clinical practice, scientific research, and professional evaluations of over 1,000 patients. Now, in *Understanding Body Dysmorphic Disorder: An Essential Guide*, the world's leading authority on BDD reaches out to patients, their friends, and their families with this concise and updated handbook. BDD causes sufferers to be obsessed by perceived flaws in their appearance and may afflict as much as two percent of the population, or nearly five million people. Many sufferers are able to function well in society, but remain secretly obsessed by their "hideous acne" or "horrible nose," sneaking constant peeks at a pocket mirror, or spending hours at a time redoing makeup. Others find their lives disintegrate because of...

Reviews

Here is the best pdf i actually have go through till now. We have study and i also am certain that i am going to planning to go through once again once more in the future. You will not sense monotony at at any time of the time (that's what catalogs are for regarding in the event you question me).

-- Frederique Rolfson

Very beneficial for all type of individuals. I have got study and so i am certain that i am going to going to read through once again once again later on. I am just happy to let you know that this is basically the greatest publication i have study during my own daily life and could be he finest pdf for ever.
