Reviews

This composed publication is fantastic. This is certainly for all those who statte that there was not a well worth reading through. You will not truly feel monotony at whenever you want of your respective time (that's what catalogs are for regarding when you ask me).
(Prof. Mark Ratke Jr.)

INSTITUTIONAL ECONOMICS THEORY, METHOD, POLICY RECENT ECONOMIC THOUGHT**DOWNLOAD**

Springer. Hardcover. Condition: New. 360 pages. Dimensions: 9.3in. x 6.4in. x 1.1in. The volume appraises, refines, and extends the institutionalists evolutionary theory of political economy in six different areas of inquiry: (a) the provision of a fresh and comparative overview of institutional economics in general; (b) the presentation and refinement of pragmatic methods of inquiry; (c) the exploration of extensions and clarifications of instrumental value theory; (d) the distillation of an emergent institutionalist theory of labor markets; (e) the explication of a culture-based theory of economic development; and (f) the formulation of an analytical design that provides direction for institutional policy making. Institutional Economics: Theory, Method, Policy appears at an especially opportune time, when there is widespread and accumulating analytical dissatisfaction with received economic doctrine. The traditional neoclassical and Marxist views of how to explain, order, and operate a political economy are now in question throughout the world. Appeals are being made for more relevant and pragmatic, less doctrinaire and dogmatic, approaches to economic inquiry and problem solving. This volume provides fresh theoretical underpinnings for such problem solving efforts. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Hardcover.
