

Medical Image Computing and Computer-Assisted Intervention - MICCAI 2009

Filesize: 5.91 MB

Reviews

Simply no phrases to explain. It is definitely simplistic but shocks from the fifty percent from the pdf. You may like the way the blogger write this ebook.

(Antonetta Tremblay)

MEDICAL IMAGE COMPUTING AND COMPUTER-ASSISTED INTERVENTION - MICCAI 2009

Springer-Verlag Gmbh Sep 2009, 2009. Taschenbuch. Condition: Neu. Neuware - The 12th International Conference on Medical Image Computing and Computer-Assisted Intervention, MICCAI 2009, was held in London, England at Imperial College during September 20-24, 2009. The venue was situated in one of London's best locations, adjacent to landmarks such as The Royal Albert Hall and the Science, Natural History and Victoria and Albert Museums, with Hyde Park just a short walk away. Over the last decade, the MICCAI conferences have become a premier international event, with papers of very high standard addressing the multidisciplinary fields of biomedical image computing, computer-assisted intervention and medical robotics. The conference has attracted annually leading scientists, engineers and clinicians from a wide range of disciplines. This year, we received a record submission of 804 papers from 36 different countries worldwide. These covered medical image computing (functional and diffusion image analysis, segmentation, physical and functional modelling, shape analysis, atlases and statistical models, registration, data fusion and multiscale analysis), computer-assisted interventions and robotics (planning and age guidance of interventions, simulation and training systems, clinical platforms, visualization and feedback, robotics and human robot interaction), and clinical imaging and biomarkers (computer-aided diagnosis, organ/systems specifications, molecular and optical imaging and imaging biomarkers). 1037 pp. Englisch.
