Go-Turtle Publishing LLC, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****. So what s your book about anyway? I look up at Lewis preparing his hamburger-ketchup, salt. His question pauses me. There s a part of my book that s easy to talk about. Well, one part of it is taking the reader along on what was really a pretty messed up 1200 mile motorcycle ride. Lewis glances at me. That sounds interesting, then continues his preparations. I hesitate. The other part of the book considers ideas from Thoreau s Walden and Robert Pirsig s Zen and the Art of Motorcycle Maintenance. As I ride on my trip, I continue a conversation from these two books on how we should be living. Lewis pauses and looks up from his meal. Oooo-kaaay. Then his attention goes back to his hamburger. I look at my food again-and start putting it together. The how-we-should-live part of the book is always hard to talk about in two sentences. But the two thread of the book really fit together. It s like we live on a cusp between two worlds. I ride a motorcycle and tent camp-an excellent exercise to keep me grounded in one of these worlds-the real world of spark plugs and wrenches, of paying bills and bank accounts. If I drift away from this world during a cycle ride, something will always draw me back-like a horn bracket breaking. The bike starts jerking-it s missing out. I pull over to the side of the rainy Iowa backroad. Now what? I slide off the bike and squat at its side. The horn is hanging by wires. Bare connections are hitting a cylinder, shorting out the engine. I decide that...
