Reviews

Unquestionably, this is actually the very best job by any article writer. I have read and that i am certain that i am going to planning to go through once again once more in the foreseeable future. I realized this publication from my i and dad advised this pdf to find out.

POP FOR VIOLIN, M. AUDIO-CD. VOL.6**DOWNLOAD**

Mainz Schott Music Apr 2012, 2012. Notenblatt. Condition: Neu. Neuware - Wer sagt, dass man mit Streichinstrumenten keine Popmusik machen könne Der neue Band unserer beliebten Reihe 'Pop for Violin' bietet wieder genug Stoff für diejenigen Streicher, die neben klassischen Stücken auch Pop-Songs spielen möchten. Die Arrangements sind speziell für die Geige bearbeitet, d.h. sie sind leicht spielbar und gut klingend. Die beigelegte CD enthält alle Titel in einer Komplettfassung und einer Play Along-Version. Damit macht das Üben und Vorspielen noch mehr Spaß. Wahlweise kann auch eine zweite Geige mitspielen, denn für alle Stücke gibt es eine 2. Stimme. Die ideale Abwechslung im Unterricht und für das Spielen zu Hause! Schwierigkeitsgrad: 2 Who says that you cannot make pop music with string instruments The new volume of our popular 'Pop for Violin' series provides again enough material for those string players who want to play not only classical pieces, but pop songs as well. The arrangements are specifically designed for the violin, i.e. they are easy to play and sound very nice. The enclosed CD contains all titles in both a complete and a play-along version. Thus, practising and playing is even more fun. All pieces contain an optional second violin part as well. The perfect variety of pieces for lessons and for playing at home! Instrumentation: 1-2 violins 32 pp. Englisch.
